EXPERIENCE

Center for Health Law and Policy Innovation at Harvard Law School **Cambridge, MA**
Faculty Director, Assistant Clinical Professor of Law *2023-Present*
Works independently and with faculty, staff and students of the Health Law and Policy Clinic and the Center for Health Law and Policy Innovation (CHLPI) to teach about and advocate for legal, regulatory, and policy reforms to expand access to high-quality healthcare; to reduce health disparities; and to promote more equitable and effective health and public health systems. Manages the legal work and operations of the Clinic. Supervises clinical instructors, staff attorneys, clinical fellows and administrative team members and with primary responsibility for identifying and leading various projects and initiatives of the clinic as well as fund-raising operations. Teaches and co-teaches clinical courses relating to the work of the Clinic.

Petrie-Flom Center for Health Law Policy, Biotechnology, and Bioethics **Cambridge, MA**
Executive Director *2017-2023*
Lecturer at Law *2017-2020*
Responsible for oversight of the Center's sponsored research portfolio, event programming, fellowships, student engagement, development, and a range of other projects and collaborations. Developed the Center's digital media presence, including the virtual events program, podcast, and the blog, *Bill of Health*. Designed, raised funding for, and ran high-impact sponsored research projects related to health law policy, biotechnology, and/or bioethics, and oversaw and contributed to work product with research staff. Developed short- and long-term fundraising strategy for the Center. Planned, executed, and substantively participated in Center conferences and public events, including topic selection, identification and invitation of speakers, and review of proposals. Co-authored and co-edited publications stemming from Center events and activities. Cultivated the Center's networks and relationships with outside collaborators, HLS alumni, potential donors, and peer programs. Developed new Center structures, including implementation of an advisory board, a general counsel's roundtable, and an affiliated researcher program. Supervised and mentored staff, student research assistants, outside contractors, visiting scholars, senior fellows, and other Center affiliates.

Advarra (formerly IntegReview) **Austin, TX**
Non-Scientific IRB Member *2020-2023*
Responsible for reviewing study documents, including new studies, protocols, informed consent documents, recruiting materials, and other study documents as appropriate. Ensure study documents provided to participants, such as the informed consent documents, are provided in laymen's terminology. Attend and participate in weekly review meetings.

Center for Health Law and Policy Innovation at Harvard Law School **Cambridge, MA**
Clinical Instructor *2015-2017*
Staff Attorney *2014-2015*
Analyzed developments in federal and state health care reform as they affect vulnerable populations for a variety of audiences and formulate advocacy responses. Co-chaired several national coalitions of health policy organizations, including the HIV Health Care Access Working Group and the Chronic Illness and Disability Partnership. Developed and taught a seminar on health care civil rights and supervised students

undertaking health policy projects. Coordinated a yearly multi-state analysis of health insurance offerings on the health insurance exchanges including producing community trainings, national reports, and administrative advocacy. Presented on a variety of health care topics, including health insurance market trends and recent Supreme Court cases. Consulted on questions relating to data privacy and security as well as information sharing for medical and social services providers. Counsel of record for Supreme Court *amicus curiae* briefs relating to health care. Developed funding sources for projects, including grant writing.

Ropes & Gray, LLP

Boston, MA

Associate

2011-2014

Provided regulatory and compliance advice to health care clients on HIPAA and the implementation of federal health care reform. Defended hospitals and other health care clients in Medicare and Medicaid audits and appeals related to coding and billing. Drafted data privacy and security policies for HIPAA-covered entities and Health Insurance Exchange entities. Advised on managed care network construction, regulation and strategy. Assisted in diligence and evaluation of health care related companies, such as health information software, quality care management and workers compensation service providers in private equity transactions. Seconded to a major medical device company and acted as temporary senior counsel in a business unit of the company. Was responsible for negotiating and revising sales, equipment rental and rebate contracts for the business unit as well as evaluating marketing materials from a legal risk standpoint. Developed and coordinated a monthly *pro bono* training program for the firm's Medical-Legal Partnership Project.

CLERKSHIP EXPERIENCE

Honorable Jacques L. Wiener, Jr.

New Orleans, LA

Judicial Clerk, U.S. Court of Appeals for the Fifth Circuit

2010-2011

COURSES

Health Care Rights in the Twenty-First Century (Fall '17, Fall '18, Fall '20) (co-taught with Kevin Costello)

The Birth of a Regulatory Regime: The Inspiration, Implementation, and Litigation of the Affordable Care Act (First Year Reading Group) (Fall '15) (co-taught with Robert Greenwald)

SELECTED PROFESSIONAL PRESENTATIONS

Protecting Medical Records in a Post-Roe World: Lessons From the Before-Times

Northeast Privacy Scholars Workshop

November 2022

Presented on some alternative tools, constitutional law resources, and framing to protect medical records of patients seeking abortions from criminal and civil litigation.

Legal Tools to Address Discrimination by Algorithm

University of Copenhagen, CeBIL

November 2022

Discussed the challenges of regulating medical AI by focusing liability of health care providers.

Wastewater Surveillance Technologies: Health, Ethics & Social Perspectives

Harvard Kennedy School and MIT

November 2022

Articulated the legal considerations of implementing wastewater surveillance systems from a community and individual perspective.

No Jab, No Job: Ethical Considerations of Vaccine Mandates

University of Minnesota School of Law, Minnesota Journal of Law, Science & Technology *April 2022*

Explored the ethical challenges of implementing vaccine mandates as well as analyzed public health law frameworks implementing those mandates.

COVID-19 and the Future of Public Health?

Jean Monnet Centre of Excellence, University of Zagreb – Faculty of Law

April 2022

Analyzed the impact of the COVID-19 pandemic on public health law and infrastructure, arguing that it has significantly weakened our public health capacity.

No Jab, No Job?: Ethical Considerations of Vaccine Mandates

Harvard T.H. Chan School of Public Health Alumni Association

March 2022

Explored the ethical challenges of implementing vaccine mandates as well as analyzed public health law frameworks implementing those mandates.

Human Rights and COVID-19

University of Connecticut School of Law, Connecticut Journal of International Law

March 2022

Mapped out the international frameworks governing public health responses to infectious diseases pandemics.

The Evolution of Emergency Regulatory Changes for Telehealth Access During the Public Health Emergency

National Academies of Sciences, Engineering, and Medicine

March 2022

Charted the regulatory changes stemming from the COVID-19 public health emergency on telehealth delivery.

AI + Healthcare Governance

AI + Health, Stanford University

December 2021

Discussing the intersection of artificial intelligence and the health care professions, including both physicians and other health care roles.

Internet as Medicine: The Importance of Digital Infrastructure for Health Care (Keynote address)

Indiana University McKinney School of Law

October 2021

Explored the impact that access to internet services has on modern health care.

Covering Health Care – COVID and Beyond

MIT Knight Science Journalism Program

June 2021

Placed media and social media coverage of COVID-19 in the context of past health law and policy journalism.

Challenges of Vaccine Passports and Workplace Vaccine Policies

American Bar Association

June 2021

Explaining the laws governing vaccine mandates and disclosure in the workplace.

COVID-19 Vaccine Injuries – Preventing Inequities in Compensation

44th Annual Health Law Professors Conference, ASLME

June 2021

Highlighted the differences in vaccine compensation under emergency use authorization and full FDA approval and analyze their impact on vulnerable communities.

Policymaking: Legal Perspective on Artificial Intelligence

Hamad Bin Khalifa University, Qatar Computing Research Institute

May 2021

Explored the challenges of regulating artificial intelligence for health care in the international context.

Big Data: Ethical Challenges in the Age of COVID-19 (Keynote address)

New Jersey Big Data Alliance 7th Annual Symposium

November 2020

Compared the media narratives built around the crack cocaine and opioid epidemics, with a consideration of the racial dynamics at play in each public health crisis.

Federalism, Public Health, and Pandemics

Utah Valley University Center for Constitutional Studies

October 2020

Explored the challenges and opportunities of our federalism framework when it comes to pandemic responses and public health initiatives.

Vaccine Policy: Challenges in Preventing Diseases

43rd Annual Health Law Professors Conference, ASLME

June 2020

Discussed the regulatory framework that governs American vaccine policies as well as the public health and constitutional law requirements.

Ethical and Legal Risks of the Therapeutic Use of Psychedelic Exploration

Harvard Medical School, Cambridge Health Alliance

April 2020

Provided an overview of the regulatory frameworks currently governing therapeutic use of psychedelics to address mental health concerns.

The Promise and Perils of Using Technology in Fighting Against COVID-19

St. Louis University Law Journal

October 2020

Presented an overview of the legal frameworks governing health technology that could be used to support public health interventions against COVID-19.

People or Drugs: A Comparison of the Representation of the Crack Cocaine and Opioid Epidemics in the Media

The Politics of the Opioid Epidemic, Taubman Center for American Politics and Policy and the Journal of Health Politics, Policy, and Law

February 2019

Compared the media narratives built around the crack cocaine and opioid epidemics, with a consideration of the racial dynamics at play in each public health crisis.

Health Care Rights in the United States

American Medical Association Student Section

January 2019

Discussed the health care policy and rhetoric being presented by the Democratic Presidential Campaigns.

Health Care as a Human Right

Massachusetts Medical Society Ethics Forum

November 2018

Provided an overview of the patchwork of health care rights found in the American health care system and discussed trends in access to care.

HIV Treatment and Prevention in the Trump Era: An Update

National LGBT Bar Association 29th Annual Lavender Law Conference

August 2017

Presented an overview of the challenges facing access to HIV care under the Trump Administration.

Repeal with Replace: Protecting HIV, HCV, and LGBT Health Care (Plenary)

SYNChronicity National Conference for HIV, HCV, and LGBT Health

April 2017

Reviewed the initial three months of the Trump Administration with an eye to access to care for people living with HIV and HCV.

Post Trump, Post American Health Care Act: Where Next?

AIDS Watch 2017

March 2017

Presented an overview of next steps for advocacy during the opening presentation of the HIV community's largest federal lobbying event.

Next Steps in Religious Expression and Health Care Reform

Lawline Continued Legal Education

September 2016

Discussed the conflict between the Religious Freedom Restoration Act and the Affordable Care Act.

Hepatitis C Treatment "Game Shifting": A National Perspective

American Correctional Association 146th Congress of Correction

August 2016

Provided an overview of major restrictions to HCV medications in Medicaid and among private insurers and discussed principles of access.

Potential Roadblocks in Health Care Big Data Collection

Big Data, Health Law, and Bioethics: The Petrie-Flom Center 2016 Annual Conference

May 2016

Analyzed recent Supreme Court jurisprudence and its potential impact on the collection and use of health care data.

The State of the Marketplaces for People Living with HIV: What has Been Accomplished and Next Steps

Federal AIDS Policy Partnership

March 2016

Presented on the barriers to access to HIV treatment for enrollees of Qualified Health Plans in sixteen states. Identified advocacy asks and policy changes that would address these issues.

HCV Treatment Access: A National Perspective and Case Studies

Women in Government Healthcare Summit

November 2015

Discussed the challenges of accessing new hepatitis C treatments, including unnecessary prior authorizations and unjustified medical criteria restrictions placed by insurers.

Adapting to Local Challenges and Realities: Healthcare Policy Advocacy in the Southern States

United States Conference on AIDS *September 2015*
Co-presented on the challenges facing people living with HIV in the Southeast. Discussed the different components of a successful advocacy campaign, including regulatory and litigation advocacy.

2015 Healthcare Marketplace: A Review of Essential Health Benefits and Provider Networks: The Impact of the Affordable Care Act's Marketplaces on the HIV/AIDS Community

Presidential Advisory Council on HIV/AIDS *February 2015*
Spoke on the effects that health insurance pricing and recent discrimination on the ability of individuals living with HIV to access affordable and meaningful health care coverage.

King v. Burwell: The Next Big Challenge to the Affordable Care Act

Association of Community Plans *February 2015*
Analyzed the potential impact of *King v. Burwell* on state insurance markets, medical providers, and consumers.

EDUCATION

HARVARD LAW SCHOOL, JD *cum laude, 2010*

Activities: Petrie-Flom Student Fellow in Health Law Policy, Biotechnology, and Bioethics
Ethics, Law and Biotechnology, Co-President
Journal of Law, Medicine and Ethics, Co-Editor

HARVARD SCHOOL OF PUBLIC HEALTH, MPH *2010*

WELLESLEY COLLEGE, BA in Bioethics and Religion *magna cum laude, 2007*
Honors: Phi Beta Kappa
Departmental Honors and Thesis in Religion

BAR ADMISSIONS

United States Supreme Court Bar *2015-Present*
Massachusetts State Bar *2011-Present*
New York State Bar *2011-Present*

BOARD MEMBERSHIP

Member of the American College of Obstetricians and Gynecologists Ethics Committee *2023-Present*
Member of the Steering Committee of Scientific Citizenship Initiative *2017-Present*
Member of the Board of Directors of The Fishing Partnership Support Services *2014-Present*
Member of the Boston University Institutional Animal Care and Use Committee *2010-2017*
